VERSE1:

B
What if my love was loud

F#/A#
Sharing this joy I've found

G#m E
Could hearts refrain from giving praise?

B
What if I followed You

F#/A#
Knowing you'd see me through

G#m E
Would I have anything to fear?

PRE CHORUS

F# B/D# E
Cause there must be more than this

F# B/D# E
Yes there's something more than this

CHORUS:

B F#/A#
Help me to stand, help me be real

G#m E
Help me to feel the wounds you feel

B
What would it take for this heart

F#/A# E
to break for you

B F#/A#
I'm longing to be, I'm willing to find

G#m E
Deeper meaning in this life

B F#/A#
What would it take for this heart to break

E F# B
It's the mystery, of what my life could be...

VERSE2:

What if I lived like You loving in all I do

Would there be fewer broken hearts?

What if I gave it all

All that i've ever known

Would there be something new to find?

VERSE3:

What if my pride fell down

Releasing of this crown

Would I reflect the grace you give?

What if I took a stand

Raising the flag again

Could I be used to bring You fame?
