

Cloud 9 Intercessors

Thursday

During the early afternoon, interns will be arriving from all over the Midwest area (Michigan, Indiana, Ohio, West Virginia). Please pray for safe travel of the interns and the staff. Also, the Holy Spirit Ministry Team will be up early to teach a mini-workshop for any staff, interns, or pastors that would like to attend. The workshop will educate people on how to pray for others throughout the weekend. Pray that things will go smoothly and that God will be able to work through the staff while they pray for the students during the weekend.

Friday

Pray for the interns and the band who arrive throughout the morning and afternoon that they have safe travel and aren't held up by traffic. Also, pray for motivation and productivity during the day while the staff sets up registration, prepares the cabins, folds t-shirts, sets up the camp, and helps the band.

6:00 P.M. - Dinner

Pray for the students as they begin to arrive for dinner. Pray for safe and smooth travels.

6:45 P.M. - Registration

The registration process has always been one of the most stressful events of the weekend. Pray that things go smoothly without any problems. Pray that the staff work well together to help registration go by quickly. Also, pray for the students as they begin to settle into their cabins. We have had past problems with finding enough beds for each student. Pray that we are able to find every student with a place to stay. Pray that God will somehow touch their lives this weekend and that they will begin to see God move, that they will have open hearts, ears, and eyes to what God will do.

8:00 P.M. - Leaders Meeting

At this time, all the leaders will assemble for their first meeting. Donnell will officially welcome them all and introduce all the staff. Pray that the youth groups settled in well and that nothing was wrong with their housing situation. Reconfiguring housing can be difficult when everyone has moved in. While the leaders meet, the first session will begin for the students with a game. Pray that no one gets hurt! :)

8:30 P.M. - Worship

Pray for the band, that their nerves will be calmed and they will be able to bless these students through worship. Also, pray that there aren't any sound problems or problems with the set up of the stage.

12:30 P.M. - 1:00 P.M. - Lunch

Pray for the food and the workers who prepared it. Thank God for the volunteers from the camp who took out their weekend to serve at the retreat. Also, thank God for the staff at the retreat who helped out so much, and everyone who served it some way from the band to the speaker to the interns.

1:00 P.M. - ? - Clean up and Inventory Supplies

Pray for the interns as they help Donnell pack up everything and put them in the vans. Pray that it goes smoothly and quickly so that all the interns can get back on the road and get home safely.
